Portia Harris, Acting Director
Baltimore City Department of Recreation and Parks
2600 Madison Avenue
Baltimore, MD 21217

Dear Ms. Harris,

Our community organization has reviewed the proposal for a fenced dog park in Patterson Park as described by the Patterson Park Dog Park Steering Committee, and we agree with the tenets of the proposal. We understand that the dog park complies with the city guidelines. We understand that the steering committee will attempt to provide the safest possible environment for users of Patterson Park while striving to maintain the natural and historic aesthetic beauty of the park.

Sincerely,

Kristin Baikauskas
President
Upper Fells Point Improvement Association
